C. Mailbox Center Membership

The committee met on Sept. 26th. Jean reported that Bob Kirk has received 2 bids for plans and chose Daniel Bona who was paid \$500. They suggest sand and green color and concrete stain on the floor. Layout is the same as that presented at the AGM. RFPs will go out for contractors to bid. They expect to have a permit by the end of the year. Planning Dept said no need for a SUP and that we could place structure 35' from the road or to place it closer with a variance. Kelly
