Minutes – Greybeard recapped business of special meeting held in April by newly elected board members as follows: Garry Hoffeld will remain as President; Athena, vice president (duties to include mail pickup and distribution); Grant, treasurer; Helen, Clerk I, answering telephone; Robert, Clerk II, will help with data base.

Garry reported that David Hoffeld, our Community Liaison has resigned due to health reasons. Linda Souza who was runner up in the election of board members at the Annual General Meeting will be contacted by Helen to fill that position. Davis duties included mail box allocations and community liaison for work parties and community events.

MOTION made by Athena, seconded by Helen: "To contract temporary clerical help at \$10.00 per hour whenever the need arises to maintain our data base."

Discussion: Athena stated that the clerical tasks of maintaining the date base, accounts receivable, property transfers and address changes were enormous and probably more than the Board is capable of at certain crunch times of the business year. She would be on the lookout for someone in the neighborhood. to help with the load. **MOTION Carried UNANIMOUSLY.**

Park Permits - With regard to the Puna Palisades resident who wished to hold a Tai Chi workshop in our Pavilion allowing Seaview residents free admission on the first day, Helen reported that the consensus was not to allow a commercial endeavor in the park and the request was withdrawn. The workshop will be held in the home of the workshop leader in Puna Palisades. It was restated that the park policy rules are "by Seaview/ for Seaview", non-commercial, family events for residents only because our liability insurance would not cover other events and a special policy would be need to be purchased for an exception to the rule.
